# **WE HAVE A DEAL**

Drive your boat to Charleston, for the Wild Oyster (Oct. 21-22) and we will get it to Sanford. Or drive your boat to Sanford (near Orlando), sail the regatta, leave your boat, we will deliver it to St. Petersburg. Fly to Sanford or Orlando and/or St. Pete , sail the regatta, fly home and pick up your boat in St. Pete where the Southern Circuit starts March 23-26.

If you want to leave a vehicle in Orlando, that is great, then just fly back and forth.

When we move your boat you will need to cover the small out of pocket expenses. In addition, it will be \$15/week for boat storage and other incidental costs.

Any questions about the boat storage and transportation program call or email Steve Hayden ([407-947-7995](tel:407-947-7995) and [stevehay14752@gmail.com](mailto:stevehay14752@gmail.com)) or Bill Mauk (305-741-6285 and [billmauk@gmail.com](mailto:billmauk@gmail.com))

For information about the individual regatta go to ILCA's calendar.
