The California Lightning Districts were sailed at Mission Bay in San Diego. We had 2 great days of racing and camaraderie. Four races were sailed on Saturday and two on Sunday. The weather was warm and sunny both days with winds ranging from 6 to 11 knots. After Saturday's races, the racers enjoyed an open bar with the usual storytelling! On Sunday, mother nature put on a spectacular show. Schools of dolphins were feeding across most of the race course the entire second race. Fins were everywhere, thrashing and darting about with some making spectacular jumps. Some dolphins even took the time to swim along Lightnings and say "hello". Sunday's races ended with hor d'oeuvres and trophies.
