The twenty-second bare Bones was a drifter and a real disappointment. Racing started on time at 1:00 PM under the able direction of the race committee chairman, Don Bacharowski. However there was little or no wind and the first race was shortened to one lap. Don decided that there would be no more racing that day.

A wise decision. Sunday morning dawned bright and clear and again with no wind, so racing was abandoned. So we had a one race regatta.

The winner was Mike Brock from Cowan Lake, Don Schregardus from Leatherlips was second, Kurt Andrews from Indian Lake was third and Tom Varley from Mansfield was fourth. We had five visiting boats from all fleets in the district and seven boats from Fleet 150 in Mansfield.

We should recognize Don Bacharowski for his excellent running of the race committee under very trying conditions. He gave up a crewing slot with Bob Shutt to take over at very short notice. Thanks also to all the support crew from Mansfield Sailing Club for making the regatta a success for the participants despite the poor sailing conditions.
