NCYC Great Lakes Champs

A fun weekend on the water at NCYC. Six local and nine out of town boats (one from San Diego!!) came together Saturday morning to take on Western Lake Erie. We started under postponement as a light Southerly tried to fill in. After the AP dropped, we were able to get four races in, the last two in more moderate conditions.

Sundays races brought a nice 8-12 knot breeze out of the SW and a bit shiftier. Big thanks to the RC for keeping the races flowing and changing the courses as needed. Also, thank you to our MI District friends who made the trip as well as Jeff Coppens and his team, who picked our regatta as a tune up for NAs.

Finally, thanks to my wife Jacqueline and our good friend, and Lightning rookie crew, Lauren O'hara for sailing with me. We had a very good time together and I hope to get Lauren back on the Lightning soon.
