2016 New Jersey State Junior Lightning Championship

The Junior States had a great turnout with nine boats from six Central Atlantic District clubs participating at Surf City Yacht Club on Long Beach Island, New Jersey. The day started out ominous with downpours and thunder storms flooding the parking lot and nearby streets, leaving us to wonder if there would be any sailing. With just a slight delay, the weather cleared and PRO Steve Warren was able to get in four good races. Fortunately the morning storms passed quickly and sunny skies resulted in a good sailing day.

There was tight racing at the top with numerous lead changes before Carrson Pearce and his crew of Carrter Pearce and Erin Godfrey won the event. It was good to see so many juniors out and we ended the day with a short debrief. Congratulations to all the participants and the CAD District is looking forward to hosting more junior events.
