This past weekend was our first opportunity to sail a Lightning event as a team and it was a great experience for us. We were greeted with great hospitality and assistance at Pymatuning Yacht Club throughout the entire weekend. The members of the club supplied our team with a very fast and competitive boat that proved very important in the extremely shifty and puffy conditions. The four races sailed were very competitive so we were happy to have such an excellent boat provided for us!

Our team was thrilled with everything that the Ohio District Championships offered from on the water racing to off the water food, beverage, and fun. The venue, housing, and competition was everything we could have hoped for in our first regatta together!

Best Regards,

The Boat Grant Team (Gordon Wolcott, Chris Stessing, Elizabeth Chambers)

Team Taylor - First Place
