Nineteenth Annual Bare Bones Regatta

Saturday, September 20th was perfect for the Bare Bones Regatta with sunny skies and steady breezes of 15-20 mph out of the south-west. Sailing conditions were perfect even with some dramatic wind-shifts. Under the skillful direction of Marion Zaugg the race committee laid out perfect windward-leeward courses. We held five two lap races over a four hour period during the afternoon. Winds steadily freshened as the afternoon progressed.

Sunday morning brought even fresher breezes with gusts up to 27 mph. The race committee, at the urging of the competitors, decided to abandon racing for the day.

Jim Taylor from Cowan Lake Sailing Association, with his crew George Auer and Stan Cummins, won the regatta, Mike Brock, with Nate and Bridget Ireland, also from Cowan Lake, were second. Tom Varley, with his crew of Jon Varley and Bucky Buchanan, from Mansfield Sailing Club, took third place and Kurt Andrews with his crew of Andy Creamer and Mike Mirarchi from Indian Lake were fourth.
