2014 Lighthouse Regatta

We had 22 boats participate in this year's annual Lighthouse regatta. Six boats came down from the Thunder Bay Lightning Fleet. Scott Baccus and Dave Kuharski ran a wonderful regatta thanks in part to plenty of southerly wind and no rain until we were finished on Sunday. They completed four races on Saturday and two on Sunday as planned. The rum party was fun, thank you Kevin Gratton for the rum donations. The Saturday night grilled chicken dinner was very good, thank you Dave Lallier and crew for your fine efforts. The 14 boat Lightning fleet winner was Richard Walsh from Thunder Bay. Second was David Stix from Chicago and third was local Mike Elmergreen sailing with his wife Sue and Bill Faude from Chicago. Another local, Pete Orlebek and wife Kimberly with daughter Kayley only sailed half the races and still took 8th place.

The 120 fleet had 8 boats and was won by Aaron Lynn. Second was Dave and Paige Whealon and third was Sam and Rex Whealon. The big wind was a bit much for Anna and Eric Boatman. It was too much for the boat too as they were dismasted on Sunday putting them in 8th place. And 8 was the number of stitches in George Winters head after he lost the battle with the boom. He was well enough to sail again on Sunday and ended up in 7th place.

Thanks to all the volunteers, you guys make this happen, it would not be possible without all your efforts.

Mike Elmergreen
