For your enjoyment: results, pictures, TRP (Trey Rose Productions) video, regatta winner Matt Princing commentary, and HI Point Standings.....and turning tips!

Yes, for those of you who went – fun times, those that didn't – almost like you were there!

Slick Track go karting. Ryan Flack(orange) getting the better of Jim Thompson (red-pointed in wrong direction), Geoff Nelson (yellow green) getting the better of Fred Blackmer (black-pointed in wrong direction), with Ryan and Jim going at it. The wet track provided an excellent opportunity to dial in your entry/exit approaches for mark roundings.....particularly in traffic.
