We managed to secure 20 boats for the Finnish Championships again and keep qualifying for the official Finnish Championship status as per the local ISAF representative authority.

With reference to the speech Peter Hall delivered at the Worlds in Italy, I am happy to summarize:

14 ladies –	23% of the participants
12 juniors overall –	20%
3 junior lady skippers –	15%
2 junior male skippers –	10%

I would not fail to mention that Life Member Kimmo Aromaa secured his 9th Finnish Championship after 6 years break.

I am happy to say the Lightning class is doing fine in Finland!
