SATURDAY 18 / SUNDAY 19 MAY – LIGHTNING & TARPON NATIONALS

27 boats were on the water on Saturday for the flag off of the Nigerian Championships for Lightnings (20 boats) and Tarpons (7 boats), for Harbour races. As the weather conditions were fine, the day was a success.

After a short night (some enjoyed the evening...), Sunday was not that promising—clear weather but next to no wind. Going offshore was soon forgotten and the fleets (now reduced to 20 boats) tried to race again in the harbour. But we managed!

Many thanks to Heineken for their continuous support for the Lightning and Tarpon Nationals and to all those who made a contribution to making the weekend such a success:

- Huw Davies & Peter Kolev and organizing team;
- Special mention to Hugh Thorley (Race Master) and his team (Comfort T., Mike R., Mark P., Piyush N., Elvis, Katherine and all others).
