17 Lightnings & 24 Sunfish came to Devils Lake to participate in the fourth annual Bruce Goldsmith Memorial Regatta. Five races under partly cloudy skies in 8 – 15 knot shifty Easterly winds were completed. George Sipel and crew Chris Snyder & Steve King from North Cape YC, despite feeling the effects of George's Saturday night birthday celebration (closer to 50 than 30), managed to hang on and win the regatta for the third straight year. Second was Team Dieball (Ernie, Skip, Laurie & Meghan) also from North Cape. John McCree (Bay City YC) and crew Rachel & Gus Dey were third. In the Sunfish Dan Norton was 1st, Dick Tillman 2nd & Josh Kerst 3rd.

Competition was tight for the special "Brunisms" awards. Team Morin (Crescent Sail YC) won the "Better to be Bad & Colorful than Dull & Mediocre" award for hitting the weather mark, doing a 360, setting the spinnaker then going on the wrong side of the offset mark in the last race. Sunfish sailor Jim Richter won the "Good Enough for Who Its For" award for his wrong side of the mark "finish" also in the last race. Chris Princing sailed away with the Lightning mid fleet award.

There were many Bruce stories along with Bruce drink specials. The Bruin would have been proud. Plans are already being made for next year's regatta. Weather will be guaranteed. See you there.
