Congratulations to all for the friendly sportsmanship and keen sailing in the 2010 Lightning Europeans held at Lagos Yacht Club, Nigeria.

Teams representing Finland, Switzerland, France, England and of course Nigeria sailed seven races offshore Lagos in light to medium winds over three days. Thank you to race officers Don Third, Syd Warburton and Hugh Thorley and their helpers for running the races. Special thanks go to Leslie Sutin, Nancy Overfield, Nancy Laidlaw and Marilyn LeBlanc and their helpers for organizing social activities after races each day a wonderful supper under the moonlight on the Yacht Club Terrace, and hosting the Finland visitor for local shopping at Lekki market.
