Report: Two visiting boats joined seven members of the host fleet for two days of racing on "Golden Pond."

Four races were completed on Saturday in very light and shifty winds. Sunday brought strong winds and rain.

Bob Shapiro of Bow Lake celebrated his birthday by sailing a very consistent series in both the drifters of Saturday and the storm on Sunday. Regatta chairman Art Cunningham's extended family provided two of the competing

boats, son John as race committee, and most of the work involved in serving refreshments on Saturday and Sunday.
