The highlight of the 2008 Lake Erie District Championship was the number of competitors under the age of 25. It was a true testament to the commitment the LED/Fleet 12 (BCC) has made to the future generation of the Class.

Congratulations to the pure top junior team of Joy MacDonald, Kathryn Moloney, and Maddie Waldron.

Congratulations to Tom Jr's team of Karl and Shelby Allen for winning the Jerry Blake Crew Awards.

Congratulations to Connor Godfrey for winning the Kaeligh Wilday Award as the youngest competitor.

Sailors enjoyed sunny skies and a variety of excellent sailing conditions over the course of the weekend.
