The 43rd Annual Lake Lansing Lightning Regatta was won by Sean Fidler. Although Sean and Craig Gable tied with 9 points apiece, Sean had the tie breaker advantage and was declared the winner.

Ten boats participated, with plenty of wind and excellent Race Committee work by Sid Mook, Doug Carlson, Walter Degruyter and Larry Koster. Thanks guys for a great job!

Stephen Wagner took lots of pictures which he has put on the web. [Click Here](#) to see them.

Pat Dolan, Gil Chesbro and Bob Miller sailed "Wind Dancer" to a tie for fourth and the top Lansing boat finish.

Plenty of sailors checked the water temperature - taking a swim as four boats capsized during the day. The Safety Boat was always close by however, and everyone was no worse for the dunking.

Thanks to the Michigan Brewing Company for providing liquid refreshment that all the sailors enjoyed. Fleet Captain Blaine Severin encourages members to return the favor by charting a course toward their products.
