We sailed 5 races on Saturday in variable conditions from 8-20 knots. A front moving in from the east pushed the southerly winds eastward... very shift, challenging conditions. Don Brush lead after the first day with two bullets.

Sunday began with a steady 15 from the south, typical Malletts Bay conditions. The forecasted 25 arrived for the second race. 6 crews kept the crash boats busy, with only a few minor repairs to gear and egos... Bill Fastiggi gave Brush a run for his money, finishing with a 2 -1 in the last two races, with Brush taking the regatta in a tie breaker.

A great way to end the season!
